

We want You!

What's it about?

The Referat for University Politics deals with everything that concerns the student body on a political level and works closely with other Referats, such as the Referat for Participation, the Referat for Student Bodies or the Referat for Social Politics.

An important part of the Referat is the exchange with and networking of different committees and especially their student members. And specifically at the university level ([AStA](#), [StuPa](#), [Senate](#), ...), in Münster ([ASten-Treff](#)), at state level ([Landes-ASten-Treff](#)) or occasionally at federal level ([fzs](#)).

As a Referent*in for University Politics, you also accompany the elections and provide information about them, e.g. via the [StuPa-Mat](#) or the [Website](#). In addition, you plan events on university policy topics and realize them.

As Referent*in in the AStA you also have the opportunity to participate in workgroups on multidisciplinary topics.

What do i need to bring?

- Time and motivation to get involved in the AStA
- Interest in university politics at our university and beyond.

Münster, the 15th of March 2021

What else would be good?

- Experiences with or from university politics
- Desire to work with other Referent*innen on interdisciplinary topics
- Perspective on study life that is not yet (sufficiently) represented in the AStA (e.g. by course of study, gender, experiences of discrimination, ...)

What are the working conditions?

You will spend \pm 10 hours per week for your activities in the AStA. In addition, once a week there is a 2-hour plenum (currently Mondays, 10 - 12 o'clock) with all Referent*innen.

The Referat is reimbursed with an accommodation allowance of 521.40€.
